

Galaxy Forum

Southeast Asia 2015

Bangkok

Free
Admission

Hosts ;

- National Astronomical Research Institute of Thailand (Public Organization) : NARIT
- Science Center for Education
- International Lunar Observatory Association : ILOA
- Geo - Informatics and Space Technology Development Agency : GISTDA

Venue : Auditorium, Science Center for Education, 928, Sukhumvit, Klong Teay, Bangkok, Thailand

Date : Tuesday 24 February 2015, 8.30 am - 2.30 pm

Background

Galaxy Forums are free public events designed as flexible and responsive solutions to advance Galaxy 21st Century Education. Specifically geared towards high school teachers, educators, astronomers of all kinds, students and the general public, presentations are provided by experts in the fields of astrophysics/ galaxy research and 21st Century Education. Interactive panel discussions follow and efforts are made to integrate local perspectives and traditional knowledge.

Galaxy Forums have been held in several places such as United States, Canada, China, India, Singapore, and Japan.

Topics

- Galaxy Education, Exploration and Enterprise
- Space Science and Technology in Malaysia
- Space Science and Technology in Thailand
- Astronomy Outreach at Science Center for Education
- UNESCO role in Astronomy
- Investigation of Near Earth Objects and Space Debris
- Exploring the Moon

Speakers

- **Steve Durst,**
International Lunar Observatory Association
- **Phil Merrell,**
International Lunar Observatory Association
- **Prof.Boonrucksar Soonthornthum,**
National Astronomical Research Institute of Thailand
- **Dr. Ramasamy Jayakumar,**
UNESCO Bangkok
- **Dr. Narut Soontranon,**
Geo - Informatics and Space Technology Development Agency
- **Dr. Mhd. Fairos Asillam,**
National Space Agency of Malaysia (ANGKASA)
- **Gp Capt. Thagoon Kerdkaew,**
Learning Center for Earth Science and Astronomy
- **Dr. Jaturong Sukonthachāt,**
Faculty of Science, Srinakharinwirot University
- **Dr. Shinichi Nakamura,**
Visiting Faculty, Asian Institute of Technology
- **Parin Tanawong,**
Science Center for Education
