Application Package

NARIT ASEAN Astronomy Camp 2018

25 - 28 January 2018, Chiang Mai, Thailand

Qualifications for applicants:

1. High school students currently enrolled in grade 9-12 or equivalent
2. In possession of an ASEAN citizenship (in case of dual citizenship – at least one of them needs to be from ASEAN)

Application Submission:

1. Complete the following question by choosing only one (1) option below.
 - a. A short essay with the maximum of 300 words.**OR**
 - b. A short video clip with the maximum duration of 5 minutes.

Stating on the topic:

“You take part in a team of researchers who were assigned the mission of a quest to an exoplanet - Tappist 1, in order to discover the possibility of life on that planet. Upon a successful landing, the well-prepared Rover vehicle you brought along faces a malfunction, with 2 damaged motors, forcing you to abandon the equipment from 10 to 3. There are mirror, flashlight, compass, camera, magnifying glass, iPhone X, sandals, watch, notebook and rope. Under the circumstances, what are the 3 equipment you would bring along the survey and why? Discuss your methods of surveying this very exoplanet in details.”

2. For essay – attach with the application form upon email submission
For video clip – upload onto a public online open source e.g. Youtube, Google Drive, then attach a valid link upon email submission
3. In case of applying for accompanying teacher (optional),
ask your teacher to complete the **Teacher Application Form** separately, which can be downloaded on <http://www.narit.or.th/en/index.php/aac2018>
4. Submit the completed application form, attached with your photo, to email:
